Amendment

This is in response to the Office Action dated March 17, 2003.

Detailed Action

Claims 1 through 7 are hereby canceled from this application. Claims 8 through 16 are hereby substituted for this application.

**Claim Rejections** - The claim rejections are addressed as follows:

**Rejection 1:** The new claims have been written to address this objection.

**Rejection 3:** Jenkins device is a three-layer pad with an additional disposable pad surface layer. The bottom impermeable layer is envisioned as permanent, with the other two layers disposable. The present invention is a completely disposable two-layer pad, which is not anticipated by Jenkins.
